

MINUTES OF THE MEETING OF THE SCREENING COMMITTEE HELD ON 28TH FEBRUARY 2012 TO CONSIDER NEW PROJECT PROPOSALS UNDER THE SCHEME OF INTEGRATED PROGRAMME FOR OLDER PERSONS (IPOP).

A meeting of the Screening Committee of Social Defence Bureau of the Ministry of Social Justice and Empowerment was held on 28th February, 2012 under the Chairmanship of Shri T.R. Meena, Joint Secretary (Social Defence) to scrutinize and make recommendation on the new proposals of NGOs received through State Governments/Union Territories under the Scheme of Integrated Programme for Older Persons (IPOP). Shri M.M. Sabharwal from Helpage India, Fr. Joe Pereira from Kripa Foundation, and Shri T.V.A. Ram, Deputy Secretary (IFD) in the Ministry of Social Justice and Empowerment, Department of Social Justice & Empowerment, Members of the Committee, attended the meeting. Shri Lalsanglur, Director (SD), Shri J.K. Sahu, Under Secretary (Ageing) and Shri Budharattan, Section Officer (Ageing) were present in the meeting to assist the Committee in the scrutiny of the proposals during the meeting.

2. At the outset, the Members of the Screening Committee were briefed about the budget allocation for 2011-12 and the notional allocation fixed for the States/UTs for 2011-12, existing guideline of the Ministry issued vide Order No.1-31/2006-Cdn dated 05.09.2008, the norms and guidelines of the Scheme, and number of new proposals received after the last Screening Committee held on 14th June 2011, etc.

3. The Committee, in the first instant, has **observed that requirement of the current year recommendations of the State/UT Grants-in-aid Committees along with inspection reports for the current year for new project proposals is a hindrance for the organizations to be able to receive grant under the Scheme, as the recommendations of the State/UT Governments are received in the Ministry very late and thereafter a considerable time is required for examining the proposals. The Committee, therefore, recommends that grant-in-aid to the new organizations should be considered on the basis of available recommendations and inspection reports of the State/UT Governments. Accordingly, the Committee recommended that guidelines contained in the Ministry's Office Order No.1-31/2006-Cdn dated 05.09.2008 may be suitably amended, if it is found feasible.**

4. **The Committee decided to defer consideration of the new proposals of NGOs received from the States of Goa, Punjab, Manipur, Uttar Pradesh and Uttrakhand keeping in view the imposition of election code of conduct due to forthcoming Legislative Assembly elections.**

5. The Committee also decided to give priority to the proposals received from un-served/under-served States/Districts, followed by innovative projects in the revised Scheme of IPOP which has been implemented w.e.f 1.4.2008, while considering the project proposals for recommendations, subject to fulfillment of other requirements of the scheme and availability of funds.

6. The Committee, during examination of the proposals, observed that a large number of new proposals recommended by the State Government were incomplete

in many respects and therefore, did not find it possible to recommend these proposals. **The Committee decided that all such incomplete proposals should be returned to the respective State/UT Governments with the request to advise the concerned Organization to rectify these shortcomings and re-recommend for consideration of the Screening Committee in the future meeting.**

7. Total 526 proposals for the year 2010-11 and 2011-12 received from the following State Governments were placed before the Committee for consideration. State wise number of proposals placed before the Committee and number of proposals recommended is as follows:
